

Mr. Thompson,

I hope you are having a good day. Due to our anticipated high traffic during our 2nd annual Mardi Gras Parade, I would like to request to borrow some barricades or bike racks from Foley Sports Tourism. As the Public Safety Manager, I feel that it would be best to barricade as much of downtown OWA as we can. If we can borrow barricades, myself, or Tim Beisel, our Group Sales and Special Events Manager would be more than happy to transport them back and forth from OWA.

Sincerely,

Patrick Kristie
