Provide a clear statement of the specific reason(s) you believe the event will significantly contribute to and benefit the City of Foley.

This is a day recognized internationally for overdose drug awareness, especially for opioids. Big Fish Minis as a recovery program desires to host this event while inviting other like minded agencies and companies to participate in the event by providing booth space. In addition, a variety of speakers will tell stories, bring understanding and inform the public of up-to-date information on the topic. We would also like to provide music hosted by local churches and artists.

Provide a clear statement of the opportunity for City-wide citizen participation in the event.

We will reach out to like-minded agencies in Baldwin County to participate in awareness as well as local businesses, churches, and other interested citizens. We hope to involve a large swath of the community and advertise to make people aware of the event.

Are there any potential negative impacts to the local business community or surrounding areas?

The only negative impact would be those who miss the event, thus missing the awareness needed to help people in addiction.

The City reserves the right to request an Event Application Presentation to staff if they deem the event to have an impact on the surrounding community.
