Hi Randy,

I talked with Mike on Friday about the additional work needed for the depot building. He reminded me that we will need permission from both him and Wayne Trawick to get this on the council agenda.

I am attaching a sheet that will only require you to plug in the amount, and then share with Mike, so he can share it with Wayne.

Thanks,

LaDonna

Mike,

Attached is LaDonna's agenda item for your and Wayne's approval. I've attached the quote from N'Stride and photos of the area needing the repair.

Thank you,

LaDonna/Randy,

Can you confirm that this is the last addition that we are going to see on this project? We want to get all of the wood repair on the depot done so that it is fully addressed with this project, but I think this will be the second adjustment beyond the initial project scope.

Please confirm this to me that there are no more. Then I will place my signature.

Mike

I have walked around building and do not see anything else needing repairs.

Ok thanks Randy. Just want to make sure this one has everything left.
