**Re: Letter of Support – City of Gulf Shores Proposed Traffic Signal  
Coastal Gateway Blvd (County Road 8 East) & Foley Beach Express**

Dear Commissioners:

The City of Foley supports the City of Gulf Shores' request to install a new traffic signal at the intersection of Coastal Gateway Blvd. (County Road 8 East) and the Foley Beach Express, and also supports the required variance from the Tri-Party Agreement Access Management Plan that includes the City of Foley. The City also acknowledges that this signal request will not compromise the integrity of the Foley Beach Express as stated in Volkert Inc.'s letter dated September 27, 2018. Although the City of Foley is not the Permitting Agency for this section of the FBE, we expect to benefit from a reduction in traffic on CR 12 between SR 59 and the FBE due to this additional connection.

If you have any questions please do not hesitate to me at (251) 943-1545.

Sincerely,

John Koniar  
Mayor  
City of Foley
