Contract No. 538800.ALA

Professional Services Related to Engineering,
Consulting, and Construction Inspection Services
at Foley Municipal Airport
Foley, Alabama

RE: Supplemental Agreement No. 4 (REVISED)

Dear Ms. Keith:

Please find the attached Supplemental Agreement **No. 4 (REVISED)** for the above referenced contract no. for Professional Services between the City of Foley and Volkert, Inc. The attached agreement shall replace the original, fully executed Supplemental Agreement No. 4, dated February 19, 2019. This Supplemental Agreement is for professional services for the following project:

Rehabilitate Access Taxiways

This project, the associated agreement, and our relationship will be governed by the conditions as set forth in the above referenced contract no. for Professional Services between the City of Foley and Volkert, Inc.

The original Supplemental Agreement No. 4 has been obsoleted within Volkert and will be replaced with the attached Supplemental Agreement No. 4 (Revised). No invoicing or billings have been generated against the original agreement.

If the attached scope of work, proposed fee, and general conditions are acceptable, please print 2 originals, and indicate your acceptance by signing in the appropriate space provided on page 3 of both original copies of the Supplemental Agreement No.4 (Revised). Upon execution, please return both originals to my attention at the address shown in the upper right-hand corner of this letter. Volkert will then execute both originals and forward 1 original back to the City of Foley.

Thank you for the opportunity to provide these services. If you have any questions or comments or require additional information, please contact us.

Sincerely,
VOLKERT, INC.
