

*Office of the Mayor  
Foley, Alabama*

# *Proclamation*

Whereas, our City is committed to recognizing our growth and strength depends on the safety and economic value of the homes, buildings and infrastructure that serve our citizens, both in everyday life and in times of natural disaster, and;

Whereas, our confidence in the structural integrity of these buildings that make up our community is achieved through the devotion of vigilant guardians--building safety and fire prevention officials, architects, engineers, builders, tradespeople, design professionals, laborers and others in the construction industry--who work year-round to ensure the safe construction of buildings, and;

Whereas, our community benefits economically and technologically from using the International Codes® which include safeguards to protect the public from natural disasters such as hurricanes, snowstorms, tornadoes, wildland fires, floods and earthquake; and;

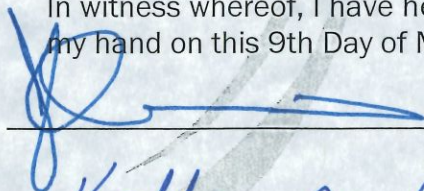

Whereas, Building Safety Month is to remind the public about the critical role of our communities' largely unknown guardians of public safety--our local code officials--who assure us of safe, efficient and livable buildings, and;

Whereas, "No Code, No Confidence" the theme for Building Safety Month 2019, encourages all Americans to raise awareness of safe and resilient construction. And;

Whereas, each year, in observance of Building Safety Month, Americans are asked to consider the commitment to improve building safety and economic investment at home and in the community, and to acknowledge the essential service provided to all of us by local and state building departments, fire prevention bureaus and federal agencies in protecting lives and property.

NOW, THEREFORE, I, John E. Koniar, Mayor, City of Foley, do hereby proclaim the month of May 2019 as Building Safety Month. Accordingly, I encourage our citizens to join with their communities in participation in Building Safety Month activities.

In witness whereof, I have hereunto set  
my hand on this 9th Day of May, 2019
