PROPOSAL

Submitted To: City of Foley
407 East Laurel Ave.
Foley, AL 36535

For: Repair to 4 Jail Cells

Date: April 10, 2019

We propose to repair 4 jail cells:

- Remove masonry toilet screens back to plumbing wall chase to a height of 48" A.F.F.
- Form and pour 2" concrete caps on top of screen walls.
- Patch walls and ceilings to blend to existing finish. A perfect match is not intended.
- Spot paint with close color match where new patch work is done.
- Daily clean up and trash removal to dumpster.

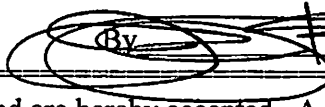

This proposal is based solely on the observations we were able to make of the structure in its current condition at the time of our joint inspection with Owner's Representative. If additional concealed conditions such as plumbing pipes, electrical conduits, reinforced concrete are discovered once work has commenced which are not visible at the time of this proposal we will stop work and point out these unforeseen conditions to Owner's Representative so that a change in the work can be issued to resolve the concealed conditions.

All work to be completed in a workmanlike manner according to standard practices.

We propose to furnish labor and materials - complete in accordance with the above, for the base bid price of \$3,978.77. Payment, constituting the entire unpaid balance of the contract sum, shall be paid by the Owner to the Contractor when the work has been completed.

This proposal may be withdrawn if not accepted within 10 days.

Respectfully submitted,
E-J BUILDERS, INC.
