Good Morning!

Please see the below attached items regarding transferring funds from the last fiscal year. The equipment we ordered to be installed into a replacement truck did not get delivered in time to be completed before October 1st. The complete equipment has finally arrived and we are attempting to get this cleared on Mondays council meeting.

Thank you both in advance and have a wonderful week!

Yes Kevin and I spoke about this last week. This is the equipment for the Tahoe that was wrecked and purchased from AMIC. Resolution # 19-1199 approved purchasing a new one, but the equipment was not able to be purchased and installed before the end of the year.

Ok good deal Mirada. I just wanted to make sure you guys were in the loop. I am fine with moving forward if Wayne is.
