Wayne, I need to ask permission to submit this item to the agenda today which will make it past the deadline for agenda submissions for March 2nd. The problem was that the ordinance was so long with all the legals, it kept freezing up on me. I was here until 6pm last night trying to get it to work and it wouldn't. IT tried to troubleshoot it this morning, but they couldn't get it to work either. However, when I went back in and copied and pasted one district legal at a time instead of all five at the same time, it worked and let me save it. So, I guess it was just getting overwhelmed when I tried to put all the text in and save it at the same time. In any case, I have the ordinance and the map ready to submit, but I need your permission to get it on the agenda late. Thank you, Sandra
