

## Black Hats Society – Witches Ride October 24<sup>th</sup> 2020 2.2 Mile Bike Ride for Charity Event

We are requesting to hold our 3<sup>rd</sup> Annual Witches Ride Bike for Charity event.

The bike ride will remain on the previous route; however, we would like to have our “After Party” at the Farmers Market again this year. Last year it was moved last minute from the streets of downtown to the market due to weather and we loved having it in that space.

With COVID-19 having the “After Party” at the market would give us more space for social distancing and spacing out.
