A Resolution Approving the Purchase of an Electric Truck for the Public Works Department

The Public Works Department has budgeted \$43,000 in the FY24 capital purchase budget for an electric truck. In FY22, a resolution was approved to go to bid and purchase 3 electric trucks with one for CDD and two for Public Works. Moyer Ford was awarded these purchases and one EV truck was delivered in FY22 for the CDD. The delivery status was unknown for the remaining two trucks. The City of Foley received a notice on February 21, 2024, that the other two EV trucks have been delivered to Moyer Ford. Public Works no longer has a need for two trucks, and wishes to move forward with the purchase of one of the available trucks.
