Resolution to approve and memorialize Amerson Roofing's Roof Moisture Survey for the Justice Center.

Description of Topic: (who, what, where, when, why and how much) The Justice Center had extensive mold issues from a previous roof replacement. Resolutions 23-1074 and 23-1128 approved the purchase of four dehumidifiers for the Justice Center. Resolution 23-1255 approved wall repairs due to the extensive damage. The City has begun litigation with the company that replaced the roof. The repairs consisted of coping stone joints, horizontal mortar joints at reglet counter flashing joint under coping stone - interior roof side, horizontal mortal joint at brick and coping stone - exterior side, and scuppers. We are requesting to approve and memorialize Amerson Roofing Inc roof moisture survey quote for \$2000.00, which will consist of performing an infrared moisture inspection to identify wet roof areas, verify all wet areas with a capacitance moisture probe and/or test cut, and outline each wet area on the roof surface with visible paint. The report will provide scaled roof plan with the location, size and contour of all wet areas, infrared thermograms of wet areas, digital photographs identifying the thermograms, analysis and recommendations, and budget estimates for various methods of repair.

Budgetary Impact:

Non-Capital Item:

_____ Budgeted under account # _____ (discussion item)

_____ Not budgeted, requesting transfer of \$ _____ from Account # _____ to

Account # _____. **Request to Transfer Departmental Budget Dollars form must be attached**
