A Resolution Amending the Facade Improvement Incentive Grant Program to include the Foley Main Street District Boundary

WHEREAS, Resolution #13-0486 created the Façade Improvement Incentive Grant Program for the Local Downtown Historic District and the National Register Historic District, and;

WHEREAS, the Incentive Grant Program provides financial assistance for exterior appearance improvement projects on buildings located in the National Register and Local Historic Districts. These districts may grow or shrink over time or the geographic footprint of the area eligible for the Program could change via council action. The Incentive Grant program will tie to those geographic footprints as they change, and;

WHEREAS, the City of Foley is a designated Main Street which has a slightly different boundary. The City would like to include the Foley Main Street boundary to encourage those property owners to apply as well, and;

WHEREAS, the standard for design in the Local Downtown Historic District is based on the Secretary of the Interior's Standard for Rehabilitation of Historic Buildings. The intent of the grant program is to encourage appropriate revitalization to as many private properties in the Districts as possible.
