A Resolution Approving the Transfer of Budgeted Funds from Fire Ad Valorem Fund Capital to Operating

Description of Topic: (who, what, where, when, why and how much)

The Foley Fire Department has budgeted funds in the Fire Ad Valorem Fund Capital purchase account in order to improve its inventory of thermal imaging cameras (TIC). In the past, a firefighting TIC could cost as much as \$10,000 each. With new technology, smaller handheld TIC have been developed that are more easily deployed by individual firefighters at a fraction of the cost. The new units are now just under \$1000 each, and no longer meet the threshold of a capital purchase. We are requesting to transfer \$15,000 of the budgeted funds to our Fire Ad Valorem Fund Small Tools operating account in order to purchase 14 TIC and deploy them to all response positions and our Fire Inspectors.
