A Resolution Authorizing the Mayor to Sign a Service & Purchase Agreement with NEOGOV for 3 Years

The Human Resources Division was notified that the current applicant tracking and new employee onboarding software being used is sunseting Sept. 30, 2024. HR is requesting to authorize the Mayor to sign a 3 year service & purchase agreement with NEOGOV (Omnia Master Agreement contract number: 23-6692-03) for a total price of \$119,377.04. The first year cost is \$29,319.41 which includes applicant tracking, onboarding, direct new-hire data export to the HR/payroll system, and a subscription to the largest public sector job board governmentjobs.com for recruitment purposes. The second year cost is \$40,259.28 and includes everything included in the first year plus performance management. The third year cost is \$49,798.35 and includes all the previously mentioned technology. This cost was not included in the FY2024 budget under Software Subscriptions account #100-1040-6132 because we had not planned on having to change software this year. Signing the agreement now will allow the HR staff to implement and train end users on the new software prior to the old software's sunset date.
