A Resolution Approving the Purchase of a 2023 Custom Fire Pumper for the Foley Fire Department

Description of Topic: (who, what, where, when, why and how much)

I am requesting consideration for purchasing a 2023 Rosenbauer Custom Fire Pumper using the Houston-Galveston Area Council (H-GAC) Cooperative Purchasing Program contract purchase. This is a budgeted purchase to keep our fire apparatus fleet up to date and prepared for our expansion of services in the southwest quadrant. After much research and comparison to our bid process, this cooperative purchasing contract allows for selection of the best available product that will meet our needs for the long-term at the best price. The proposed contract also includes a pre-payment discount of \$19,179. The total contract price of \$592,261 is well below our budget of \$615,000. The Rosenbauer dealer that will be assigned to the purchase will be NAFECO, with whom we have a long standing good relationship for delivery and service work.
