A Resolution Approving Going to Bid on a 2020 Custom Fire Pumper

I am requesting approval to go to bid on a 2020 custom fire pumper as part of our scheduled apparatus replacement plan. We have scheduled this replacement for the FY19 budget year and included it in the capital requests for FY19 in the Fire Ad Valorem Fund. With most custom fire apparatus manufacturers on a 320 - 365 day delivery time, it is critical to be able to award a bid and complete the ordering process as soon as possible in the new budget year. This new pumper will enable us to surplus and sell our 1999 KME custom pumper.
